

Other Donation Options

Bequests/Estate Planning: Some of our most generous contributions have been in the form of bequests. Consider leaving a legacy by naming "Air Force Aid Society, Inc." as a beneficiary in your will or trust.

Stock Donations: The Air Force Aid Society accepts donations of stock through our investment portfolio custodian, Northern Trust. Please see the attached [Stock Donation Instructions](#) on how to make a stock donation. We ask that when you initiate a stock transfer to please send an e-mail to mparnarouskis@afas-hq.org at AFAS HQ with the stock you are donating and the number of shares being donated. In addition, please include your mailing address and e-mail address so we can acknowledge your gifts appropriately.

Corporate Matching Gifts - Double Your Donation!

A growing number of companies offer corporate matching gift programs where they match charitable gift donations made by their employees. If the company you work for (or retired from) has a corporate matching gift program, you can potentially double the value of your contribution to the Air Force Aid Society! It's easy to do. Simply contact your Human Resources Department and ask if your company offers a charitable matching gift program. If so, complete a Matching Gift Form and include the form with your donation to the Air Force Aid Society.

Matching gifts are a wonderful way to increase donations to the Society. If your company does not offer a matching gift program, please ask them to consider starting one.

Air Force Assistance Fund Annual Campaign

AFAS is one of four affiliates of the Air Force Assistance Fund (AFAF). The annual AFAF Campaign, which is run within the Air Force, includes solicitation on behalf of the Society. Air Force members are able to designate which affiliate will receive their donation and are encouraged to contribute through payroll deduction/allotment. This annual campaign supports the Airmen helping Airmen philosophy on which AFAS was founded. The AFAF Campaign runs from early Feb to early May each year at Air Force installations around the world. For more information, please visit the AFAF website at www.afassistancefund.org.

Please note that since AFAS is an affiliate of the AFAF, federal law prohibits us from being an affiliate of the Combined Federal Campaign (CFC).
